A Word from Coach Wade:

Aloha,

I want to thank you for your support. We are looking forward to another successful year of Warrior Volleyball. Reflecting on past years I can say that we are in a better position to compete for a championship, we continue to raise the team's GPA, we are broadening our involvement in the community, and we are increasing our attendance. All of us associated with Warrior Volleyball are looking forward to demonstrating the progress we have made as a team and providing you with a memorable season. Mahalo for your support and generosity.

The President's Message:

Boosters are an important part of the UH volleyball ohana. Boosters provide support through membership, hosting post game meals, cheering at games, and just being there for the players. Please help continue the strong tradition of UH volleyball by joining the Men's Volleyball Booster Club today. Your support will go a long way.
